RIDE with us

that feeling that
NEVER
LEAVES YOU

Without this boat, traveling over 140 miles round trip wouldn't be feasible, and we'd never get a shot at a tournament-winning fish @team_reel_dreams BOW DOWN TO THAT BIG BEAUTIFUL BOW @PATRIYACHTIC Tell Santa to leave one in my stocking! Trey Walker These are amazing boats. My youngest even caught his first swordfish on it! David Schapals I LOVE BEING THE SMALLEST BOAT IN A TOURNAMENT AND GETTING ASKED AT WEIGH-IN 'YOU WERE OUT THERE TODAY IN THOSE CONDITIONS IN THAT BOAT?' I ALWAYS SAY

IT'S A REGULATOR THING

'WELL, YEAH...' ROBERT WILSON I have had my 23 for 6 weeks...I have an appointment with the physical therapist

to treat strained smile muscles! John Millette The weather in the Northeast is like no other. Thank you, Regulator, for building such a solid platform to get us home safely.

Eddie Trzepacz I trust my equipment 100%. It's all about safety, that's why I own a Regulator @jimgham

always REGULATOR

Since 1988, quality has been at the core of our Legendary Ride. We don't cut corners. We don't compromise. And our founding principles remain the same today as they did then: consistency in every build. That's why renowned Naval Architect Lou Codega still designs every one of our boats. It's also why we plan every detail, ensuring quality before delivery. Above deck, that means the features, fit and finish that give you the comfort you deserve. Below deck, it means stability without sacrificing speed. It all adds up to a center console sportfisher built to handle the unpredictable offshore environment with ease.

Bracket-mounted engines
for greater running surface and
less resistance in any condition

**Extra tall gunwales with
360-degree coaming pads**
for fishability, comfort, and safety

Our weight and depth
deliver a lower center of gravity
for better performance offshore

Signature Deep Vee hull
slices through any condition to
deliver a smooth and dry ride

IT ALL COMES TOGETHER **FOR ONE SIGNATURE RIDE**

quality is **OUR** SIGNATURE

Quality isn't just about one thing—it's the space where design, functionality, and durability come together. The tests we run, the processes we maintain, and the enhancements we make are made with purpose. This approach means that when we integrate new features, we do it without compromise. And we never sacrifice the fit, finish and ride that make a Regulator, a Regulator.

"As my boat was built, I received the equivalent of nautical sonograms from the factory with each stage of construction. The hull being pulled from the mold, the stringer being installed, the hull liner and deck cap being put in place. I remember getting choked up as the shrink wrap was removed, realizing that this beautiful piece of engineering was mine." — Regulator 23 Owner Frank Saccente

REGULATOR

HOW WE WORK Our customer support team is here to make sure each and every owner gets the best Regulator ride, and everything that goes along with it. Have a question about your equipment? Call us. Suggestion to make your experience better? Tell us. Our team of experts is here to listen, and we're always working to give you more. That's why we consistently win the National Marine Manufacturers Association CSI (Customer Service Index) Award for the highest level of customer satisfaction. It's also why our manufacturing processes have been certified at the highest levels, delivering incredible resale value and a warranty redemption that is consistently less than 1%.

Become part of the family and build your boat at regulatormarine.com

Equipped with features to meet every offshore need. Aft mezzanine seat with prep and tackle center and overhead SureShade® provide additional cockpit seating without compromising fishing amenities. Serious anglers will love the optional Taco® Grand Slam outrigger bases with 20' HD Carbon Fiber telescoping poles and huge livewell and fishbox capacity. Easy tower access makes the dual helm even more attractive. And below deck, the cabin comes with a galley kitchen, double berth, and spacious head with shower, allowing you to accommodate friends and family with ease.

LIVING LARGE

41

Follow the fun @regulatormarine

What weekends are all about—designed to entertain and pursue the offshore catch in comfort. Find relaxation and convenience at every turn with starboard boarding and dive door, wraparound Starboard Seating, and sleeping berth. Add the watersports tow bar for family fun and cockpit SureShade® to play all day. Choose the optional Cockpit Galley with grill and refrigerator or the 3X Deluxe Livewell/Tackle Center to fish all day. Plenty of rod storage, 350-gallon fuel tank, and various power options bring your experience to the next level.

RELAX

YOU

34ss

Schedule a sea trial with your local dealer at regulatormarine.com

A true center console, designed to maximize space and rival its 39-foot competitors. Fish for days with plenty of storage, including 42-gallon transom livewell, 220-quart transom fishbox, 400-quart cockpit in-deck fishbox, and optional Taco® Grand Slam outrigger bases with Carbon Fiber telescoping poles. The berth sleeps two and has abundant rod rack storage. Plus, the starboard boarding and dive door, optional SureShade®, and various tackle center and power options make this a fisherman's favorite again and again.

FOR THE LONG HAUL

34

Visit regulatormarine.com and schedule a factory tour

Hit the sweet spot between classic Regulator style and true innovation with more than 36 feet in length overall. Twin Yamaha F300s or XF425s give you the power and control to handle beautifully in any waters. Going fishing? The massive cockpit and oversized tackle center, multiple fishboxes, transom livewell, and optional Taco® Grand Slam outrigger bases deliver everything you need for a serious day on the water. Kicking back? Enjoy plenty of deck space, starboard boarding and dive door, integrated forward seat backrests, and optional cockpit SureShade® to maximize comfort offshore.

MORE OFFSHORE

31

Big boat features now come standard at regulatormarine.com

With its sharp bow entry and signature soft ride, the 28 is built for offshore action. Deluxe tackle center, seatback rod holders, and optional T-Top rocket launchers create an ideal rigging station for anglers and put all your tackle within perfect reach. Use the transom walkthrough tuna door for boarding and fishing, and kick back with integrated flush-folding transom seat and forward seat backrests. Add extra comfort with options including the cockpit SureShade® and dual-height pedestal table with filler cushion for the ultimate day on the water, every single time.

FISHING MACHINE

28

Build it your way at regulatormarine.com

Beautiful lines and ultimate performance in a mid-size boat that delivers a big ride. With great speed and fantastic fuel economy, you're free to fish the canyons in comfort or bring the family aboard for fun. Enjoy spacious seating, ample storage, freshwater transom shower, and standard head, plus new Fusion® entertainment, Yamaha Multifunction Digital Electronic Controls and Touchscreen Display. Standard features include transom walkthrough tuna door, digital electric steering with tilt helm, and everything you need for more offshore.

360°

COMFORT

25

Imagine, play, and build yours at regulatormarine.com

Whether you're ready for a serious offshore run or a casual day closer to shore, you're covered. Big game fishing benefits include a transom walkthrough tuna door, 46-gallon fishbox/livewell, 350-quart in-deck fishbox, convenient rigging station, and plenty of storage. Abundant seating, built-in coolers, and a suite of optional amenities including through stem bow roller, head with holding tank, watersports tow bar, and forward Sun Shade give you everything you need to make the most of your time on the water.

ALL DAY PLAY

23

Explore more online at regulatormarine.com

Our new crossover is built for adventure. That means easy access to lakes, bays, and skinny waters, plus the capability to head offshore when the time is right. More than 122-square-feet of deck space, spacious seating, and generous storage provide fishability and family comfort. Integrated flush-folding cockpit seats convert to a casting platform, with the option to add a 10-foot Power Pole Blade for shallow water anchoring and versatile Minn Kota® trolling motor. Built-in coolers, stand-up head compartment, and optional removable watersports tow bar allow you to stay and play until the sun goes down.

THRIVE ANYWHERE

26xo

Learn more about our new XO Series at regulatormarine.com

The latest addition to Regulator's XO family delivers everything you need in a center console crossover. Anglers will love the abundant deck space, forward and aft casting platforms, standard livewell, and in-deck fishbox. Family comfort comes standard with built-in coolers, stand-up head, and forward seating with flip-up backrests. Options like the hydraulic jackplate, Minn Kota® trolling motor and 10-foot Power Pole Blade make shallow-water maneuvering easy for fishing or sandbar fun. Removable watersports tow bar, and forward or rear Sun Shade mean you can make the most of your time offshore.

Every Regulator on the water today is powered by Yamaha for dependability and peak performance at every turn, with XTO offshore power now available on more models than ever before. The **new Helm Master® EX** (available on select models) is packed with additional features and offers a more responsive experience. Helm Master® EX Joystick with Multimode Set Point™ and EX Autopilot with Waypoint Deceleration work together seamlessly to offer better ergonomics and elevated functionality. Slow your approach to favorite fishing grounds, sandbars and other marks, then shift easily to maintain position for rigging baits, setting up for watersports, and more. Check out your options by model at regulatormarine.com

NAVIGATE ANY WATERS

Factory-installed Garmin® electronics are rigged and wired to perfection with brighter displays and best-in-class technology so you're ready to ride.

Multi-touch widescreen chartplotter/sonar displays are standard across all models. Upgrades including Garmin® GXM 54 SiriusXM® Marine Weather Receiver, GMR™ 24 xHD and Fantom 24 Marine Dome Radar, plus various GMR™ Open-Array Radar options allow you to head out with the information you need and find fish faster.

Plus, our **new console layout** features a sleek look and more functionality with Integrated Switch Panel & LED Push Button Switches.

New console layout varies by model

SEATING TACKLE STORAGE

Spacious seating at the helm and tackle centers designed by fishermen for fishermen make every option the perfect catch. Regulator's Deluxe Tackle Centers feature decked-out rigging stations and generous storage compartments. The Cockpit Galley option includes refrigerator, sink, prep station, and grill. And every boat in our fleet ensures your comfort with new eco-friendly upholstery, captain and companion seating with flip-up bolsters, and individual footrests with SoftGrip footrail on all helm seats.

3X Deluxe Mezzanine Tackle Center is now available on the Regulator 31, 34, and 34SS (pictured left). This new design increases comfort and seating without sacrificing fishability, and it's still compatible with the popular Seakeeper® 2 option.

Features include aft-facing mezzanine seating for two with recessed footrest, folding armrests with cup holders, and cockpit tackle storage. Plus, add the 3X Deluxe Mezzanine Rod Holder option for dual-flanking rocket launchers that hold up to four rods – with easy access when the bite is hot.
